

The North American Coordinating Council
on Japanese Library Resources

Awards this Certificate of Appreciation to:

Mr. Ikuo Sasakawa

In recognition of your distinguished leadership in improving communication
and information access between the United States and Japan

By:

Developing and implementing the Global ILL Framework (GIF),
an interlibrary loan and document delivery service between Japanese and North American libraries

Encouraging Japanese university libraries to become more proactive
in initiating collaborations with North American university and research libraries

Fostering a spirit of open communication and cooperation among US and Japanese librarians

Promoting face-to-face communication between US and Japanese librarians

Toshie Marra, NCC Chair
